

# DIGITAL INCLUSION

## NDIA's 5 elements of digital inclusion:

1. affordable, robust broadband internet service;
2. internet-enabled devices that meet the needs of the user;
3. access to digital literacy training;
4. quality technical support;
5. applications and online content

news, data, resources, & more

## ICfL supports digital inclusion:

### 1. Grant -- "Rural Libraries Connecting Idahoans via Wi-Fi Hotspots"

49 small/rural public libraries received equipment / service to boost broadband & make it available 24 / 7 in communities of fewer than 10,000 residents

### 2. Mini-grants

many libraries purchased additional computers / tablets

### 3. ICfL's LiLI.org

LearningExpress -- Popular Skills  
Software Center -- offers tutorials on  
Microsoft software and Adobe products

### 4. ICfL consultant

Library Technology Consultant  
William Lamb -- assists with E-rate, EOR,  
technology, computing, & internet

### 5. ICfL's IDEA -- statewide e-book service

IDEA -- Idaho Digital E-Book Alliance  
high-quality e-books / e-audio made  
available at no cost to school libraries &  
public libraries w/OverDrive
